Welcome Fox Valley Husker Fans!

Can you believe the Big Red are just days away from taking the field in what could be a very exciting season! Ameer and the Defense will have to stay healthy for Nebraska to have a shot. It should be fun to watch. The BIG10 will also have new conference members and divisions this season and we finally have a playoff of sorts for a National Title so there will be plenty to track throughout the year.

Please be sure to read inside as we have some important information from the President of FVH , Larry Peterson and Kate Dugan also has an announcement for an upcoming game. So be sure to see what is happening in "Kate's Korner"

Now make some calls to your Husker friends and plan to meet at **Holidays** for the 2014 **BIG RED** season kickoff party!

Husker Watch Party Schedule:

1:30 PM FVH LEADERSHIP SET UP
 2:30 PM KICKOFF
 HALFTIME-PRIZE GIVEAWAY

#22 Nebraska Cornhuskers (0-0)
VS
Florida Atlantic (0-0)

The Huskers will start the season against FAU, a Conference USA

member. The Owls have played Nebraska one time so there is not a great deal to share other than the Owls were defeated 49-3 back in 2009. Florida Atlantic was 6-6 last season 4-4 in conference play. Last season they lost the opening game to Miami 34-6.

The Husker Defense will get a chance to see if they can apply some pressure and contain the spread offense and show they are as good as everyone says they are.

PRESIDENTS MESSAGE

Hi everyone I just wanted to share a few Game day reminders. To celebrate all FVH members who renew their membership on opening day, that individual or family will receive one extra half time drawing ticket from Kate when you sign in. (Membership is 15\$ Family/Individual)

Once you have signed in move over to the Football pool table where each person receives the normal raffle tickets for attending. All tickets will then be placed in the half time drawing.

We will have several additional drawings for this seasons kickoff. See you Saturday!

Larry

Gator Bowl Champs! **Huskers top Georgia**

Quincy Enunwa scores on a 99 yd touchdown to help defeat SEC's Georgia Bulldogs 24-19. The Bowl Victory was much needed and should carry over some benefits to this upcoming season.

KATE'S KORNER

"Hooray!"

It is Husker football season once again! Your leadership has lots of creative ideas to make this season fun for our club membership. We want to blow the roof off at Holidays! In particular, we want to encourage you to attend the September 13th game, even though it doesn't start until 9:30 p.m. Yes, you read that right!

It is a very late start, particularly for those of us in our "golden years-with a hint of red." Most of us are in bed by then, or at least taking the dog for their final outing! However, we want to cheer on our Huskers so we are breaking out the no doz and coke (you'll only get this if you were in college about the same time the Huskers won their first National Title) and calling our watch a pajama party!! Yes, we are encouraging you to wear your pajamas, or your pajama bottoms, particularly if they can be related to the Huskers!! Keep it decent folks, pajamas means pajamas if you get my drift! Pajama bottoms with a Husker top is an option to consider. We will have prizes particular to our theme that night, which will add to the laughs we are sure to have. You are only limited by your imagination and the keeping it decent thing, so let's have fun and make this an event!

Looking forward to seeing all of you again my Husker family in Wisconsin! Go Big Reed!!!!

I would like to take a moment to introduce a new contributor to the newsletter. Many of you have already met him or seen him posing with his Kenny Bell Hair! Yes, it is Trevor my son.

Trevor started making photo collages of numerous players from different levels and different sports on his i-pad. I thought some of them were very interesting and quite good , especially for an 11 year old. So I decided that perhaps Trevor could help out and join the newsletter staff. I have new duties and several things going on that need my attention which in turn means I cannot spend as much time doing the newsletter as last year. I will still get out weekly newsletters but Trevor will do some image work for me. Trevor created the "A8dullah" image above from several photos and our clubs logo. And yes the clever use of the 8 for a B was all his idea. I gave him no input except give me a graphic of Nebraska's star running back. Well done Trevor, and welcome to the staff!

I know Trevor will be sharing his art throughout the year and if there are any other aspiring young or old photo manipulators or photoshop gurus send them to me at dm4nu@charter.net and I will try and utilize them. Please save your images as jpegs before sending your work to me and include your name. Be sure to creatively alter the images.
